Program: Wilmette Kenilworth Chamber of Commerce lunch networking group at Valley Lodge Tavern, September 7, 2018

Description: This event is designed for small business members and entrepreneurs to meet and share information about their services.

Audience: Approximately 20 members of the Chamber

Staff: Betty Giorgi, Head of Adult Services

Comments: The networking events that the Chamber hosts are great opportunities to talk about what the Library can provide to small businesses and entrepreneurs. It is a chance to highlight the work we do in partnership with the Chamber and SCORE. I spoke about the Library's tools for marketing, the upcoming business discussion group, and the option of making one-on-one appointments with SCORE to get advice on business decisions.

I had a table in the hallway to attract parents as they went around to meet the teachers. I signed people up for library cards, gave out copies of OTS, our monthly flyer for September, pencils + book marks.

COMMENTS

Parents, teachers + the principal thanked me for being there. Patrons I knew were glad to see me. New Wilmette residents appreciated getting their cards without coming to the WPL. Some parents made a point of telling me which library they use. I reminded them they were certainly welcome here. (They were Glenview + Northfield cardholders.)
