

Kids' Reading Log #1

Name (First & Last)

School

Age _____

Grade _____

Instructions

Kids up to eighth grade, read and try other literacy-based activities, and win a free book! Complete any 20 activities (or more) on your log. Reading one day counts as one activity; so does going on a nature walk, writing a story, or playing a game. All kinds of reading count, including independent reading, family reading, and listening to audiobooks.

Starting Monday, June 19, bring this log to the Summer Reading Booth to tell us what you've been reading and doing. After completing 10 activities, have your photo taken with your favorite book for our bulletin board! After completing 20 activities, pick a free book from our cart to take home. Each participant may complete up to two logs to receive two prizes; the last day to pick up a reading log is Tuesday, August 1. Reading logs must be turned in by Thursday, August 31.

Make up your own activity!
