OUR SUMMER OF READING

This summer is different. We are at home more. We are together with our families. We are creating new routines and traditions. We are making art at the dining room table, learning new skills in the kitchen, exploring the world of nature in our backyard. And through it all, we're reading.

Join us this summer for a special summer reading club. We'll be exploring new

genres together, enjoying storytimes, and reading lots. Discovering a new book can be a wonderful connection, even as we are apart.

We hope that you will join us for Our Summer of Reading. This guide will provide everything you need to participate in our summer reading clubs for all ages.

Kids & Teens Summer Reading Club

Read for 20 days to complete this summer's reading club. Mark a space on your reading log for each day that you read to earn free ice cream and a book to keep! You can read for as many minutes as you like, and all kinds of reading count.

After 10 reading days, report to the virtual reading booth on our website to tell us about what you're reading and we will email you

an e-gift card for the Wilmette Dairy Queen. The first day you can report for your halfway prize is July 1.

After 20 reading days, report to the online booth again to receive a \$15 e-gift card for The Book Stall. You must report your completed reading log by August 31 to collect your gift card.

- Youth of all ages are welcome to participate, from babies to teens entering grade 12. Pre-readers can participate by having a parent mark their log each day that they are read to.

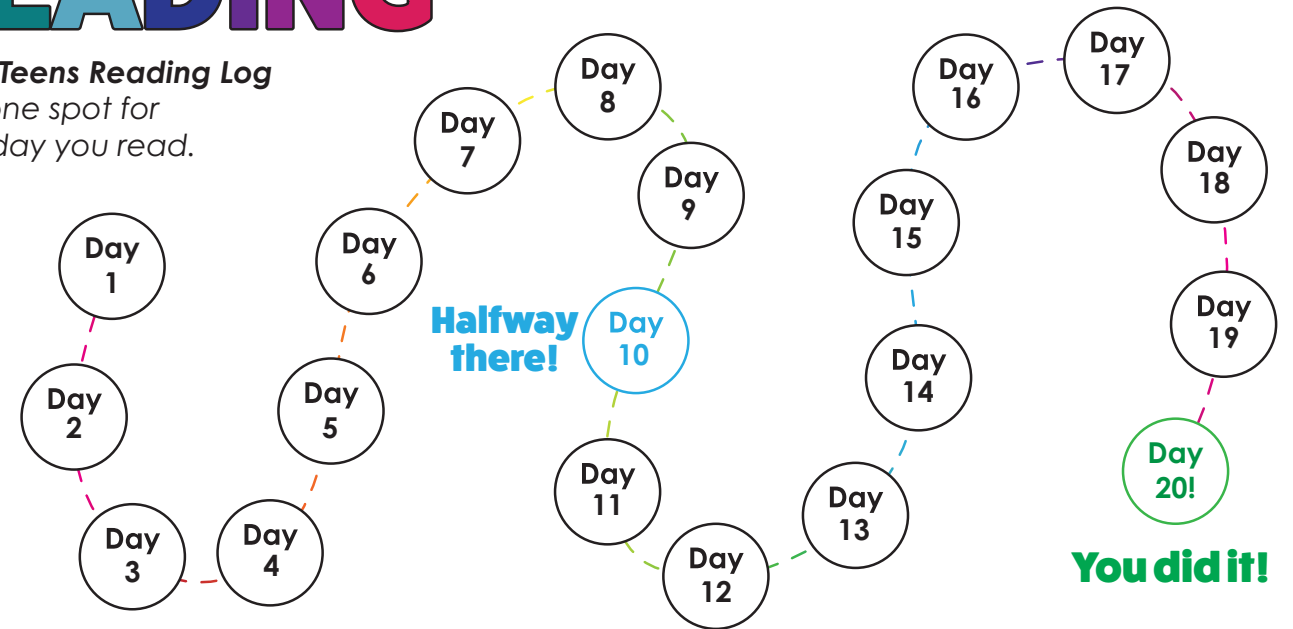

- Prizes will only be awarded once per person.

Additional logs can be printed at wilmettelibrary.info/SRC2020

Summer Reading Club is open to residents of Wilmette and Kenilworth, and students who attend Wilmette and Kenilworth schools.
