Instructions

Read and enjoy other literacy-based activities, and win a free book! Complete any 20 activities (or more) on your log. Reading one day counts as an activity; so does writing a letter, making a recipe, or playing a game. All kinds of reading count, including independent reading, family reading, and listening to audiobooks.

When you are finished, bring your completed log to the Youth Services Desk to report. Tell our librarians what you’ve been reading and doing, and pick a free book from our cart to take home. Each participant may complete one log to receive one prize. Reading logs must be turned in by Monday, February 28.

Show and Tell

Want to share your Winter Reading Club activities with the community? Send a photo, artwork, story, or book recommendation to youthdesk@wilmettelibrary.info, and we will share it on WPL social media.
