Kids' Reading Log #1

Name (First & Last) _____

School _____

Age _____ Grade _____

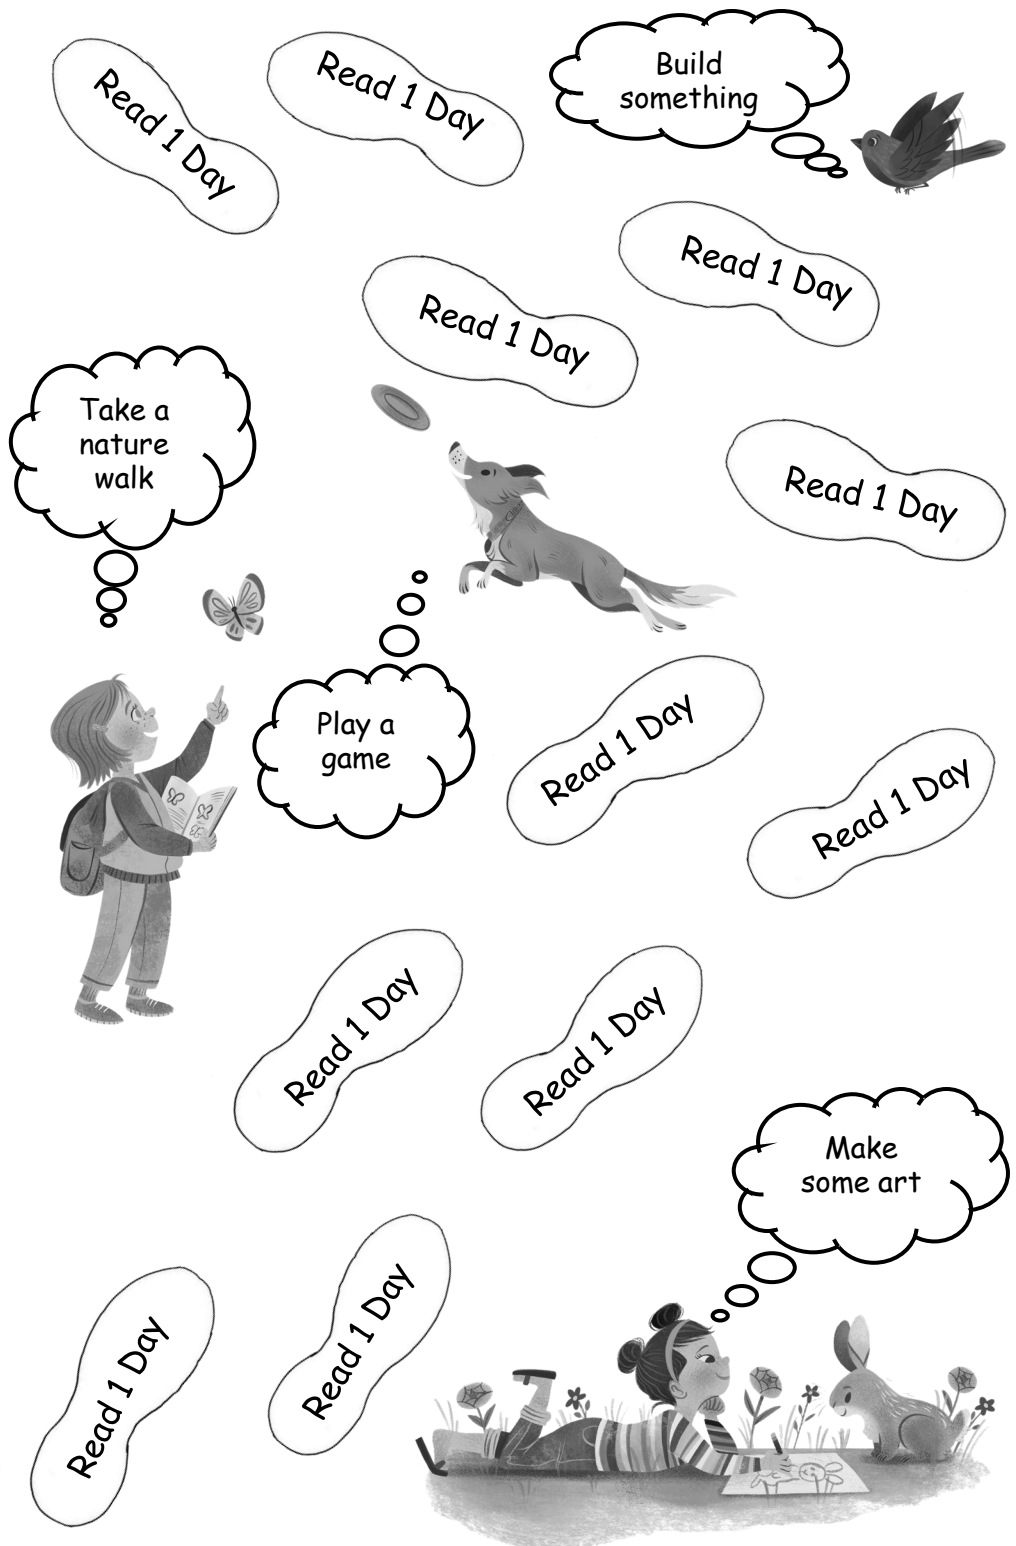

Instructions

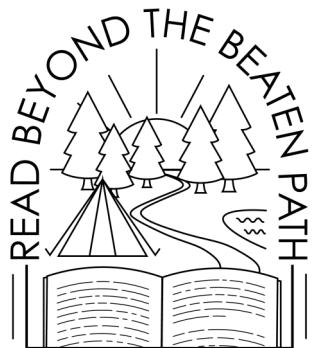

Kids up to eighth grade, read and enjoy other literacy-based activities, and win a free book! Complete any 20 activities (or more) on your log. Reading one day counts as one activity; so does going on a nature walk, writing a story, or playing a game. All kinds of reading count, including independent reading, family reading, and listening to audiobooks.

Starting Monday, June 20, bring your completed log to the Reading Club Booth to report. Tell us what you've been reading and doing, and pick a free book from our cart to take home. Each participant may complete up to two logs to receive two prizes; the last day to pick up a reading log is Sunday, August 1. Reading logs must be turned in by Wednesday, August 31.
